Short Description of Activity Conducted: -

The medicinal plant exhibition organised by Dept. of Botany at Giroli, Tal-Panhala, Dist.- Kolhapur on 13th April, 2018. Giroli village is situated in hilly region of Kolhapur district. The area is rich in medicinal plant diversity. But people are unknown about the medicinal uses of plants. The fresh and live plant specimens were collected and displayed with the information such as their botanical name, local name, family, origin, parts used. Demonstration about the formulation of drugs and their utilization was shown. 50 local villagers benefited from the programme.
