Target Group: No of student-80

Name of organizer: Department of computer science

Name of the Resource Person: Prof. P. Karmarkar Sir as Asst. Prof
in Shivaji University Kolhapur

Career guidance workshops are designed to orientate students towards the world of work. Relevant information to the students at the right time of the development cycle helps them move from crystallization of career choices to specification and implementation.

Informed career choices help make smart and correct decisions that lead to success in life. The aim of a career guidance workshop is not only to guide students on choice of subjects and streams and provide suitable career choices but also help students become self-aware about their strengths and weaknesses.

Prof. P. Karmarkar Sir as Asst. Prof in Shivaji University Kolhapur

Head
Department of Computer Science
