

Shri Vijaysinha Yadav College, Peth Vadgaon
Department of Computer Science
2023-2024

Name of Activity: Career Opportunities after Graduation in Computer Science

Date and Time of activity conducted: 09th Feb 2024, 12.15A.M.

Target Group: No of student-23

Name of organizer: Department of computer science

Name of the Resource Person: Mr. H.M.Mane K.R.P. College, Islampur

In the academic year 2023-2024, Department of Computer Science organized expert talk by Mr. Himmantrao Mane Assistant Professor at KRP College, Islampur for B.Sc. III student's topics on Career Opportunities after Graduation in Computer Science dated at 09th Feb 2024, 12.15A.M.

Career Opportunities after Graduation in Computer Science conduct career options available in these field computer graduate students are not only for software developer or hardware.

There are multiple ways for students such as big data analysis Artificial Intelligence, Machine Learning, Cloud Computing, Animation, database administrator, quality control, Linux administrator, network administrator etc.

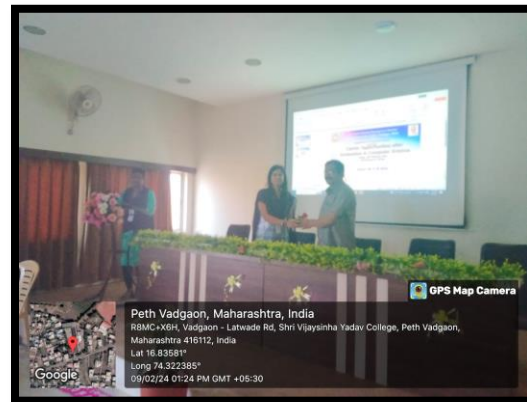

The guest lecture on career opportunities after graduation in computer science served as a valuable platform for students to gain insights, explore possibilities, and plan their career trajectories effectively.

By providing guidance, inspiration, and networking opportunities, the lecture aimed to empower students to embark on successful and fulfilling careers in the dynamic and ever-evolving field of computer science.

OUTCOMES:

1. **Increased Awareness:** The lecture enhanced students' awareness of the diverse career opportunities available to computer science graduates beyond traditional software development roles.

2. **Informed Decision-Making:** Participants gained insights into the skill requirements, industry demands, and emerging trends in the tech sector, enabling them to make informed decisions regarding their career paths.
3. **Inspiration for Exploration:** The lecture inspired students to explore niche areas within computer science, such as data science, cyber security, and AI, by showcasing the breadth and depth of opportunities available in these domains.
4. **Networking Opportunities:** Participants had the opportunity to interact with industry professionals and alumni, providing them with valuable networking opportunities and potential mentorship connections.
5. **Career Planning:** The lecture facilitated career planning and goal setting among students, encouraging them to identify their interests, strengths, and aspirations and align them with suitable career paths within the field of computer science.
