Report on “Power Point Presentation Competition”

The Department of Computer Science organized an online PowerPoint Presentation Competition on the topic of **Android**. The competition aimed to encourage students to demonstrate their understanding of Android technology including its development, applications, and innovations, while enhancing their presentation.

Date and Mode of Event:

The competition was held on 3/03/2025 via a conducted on **online mode**, allowing students to participate remotely and present their ideas effectively

Participants:

The event saw active participation from students of the Department of Computer Science. A **total of 22 participants** took part in the competition, showcasing their knowledge and creative approaches related to Android.

Topics Covered:

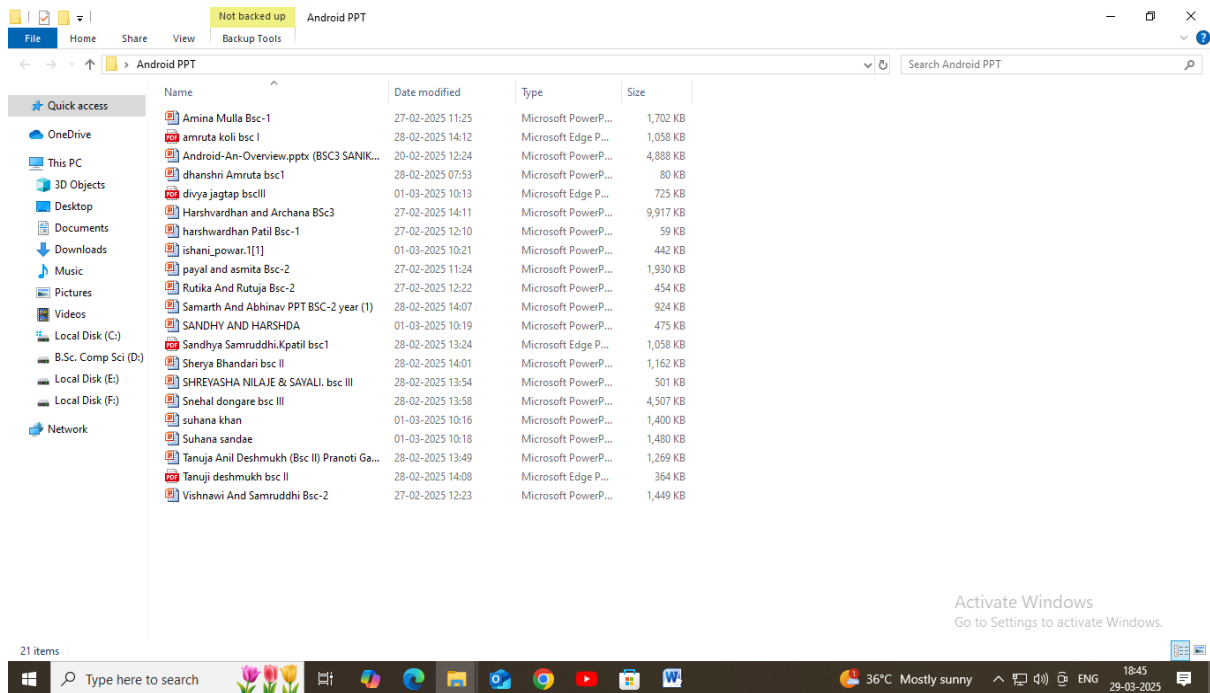

Participants presented on various Android-related topics, such as:

- Android App Development
- Evolution of Android OS

Conclusion:

The online Power Point competition on Android was successfully provided a platform for students to deepen their knowledge of Android and present innovative ideas. It fostered a spirit of learning and collaboration among students. **Winners received certificates** the event concluded with positive feedback and the intention to continue hosting such competitions in the future to promote technical knowledge.
