Short Description of Conducted Activity:

The Department of Geography and the Department of Sociology jointly organized 'World Indigenous Peoples Day' on Tuesday, 12th August 2025, from 8:30 to 10:00 am. The programme was divided into two parts i.e., Invited talk and Documentary Screening. The objective behind the invited talk was to aware the students about the concept of Indigenous people around the world. Dr. Prabhakar Nisargandh a resource person, elaborated the tribes and their life and habits. He also tressed on the distribution of tribal people in India with their typical cultural values and traditions. Prof. Dr. B. S. Jadhav introduced the programme by sharing thoughts on tribal groups in the World in the study of Geography.

The screening of Documentary on tribal peoples malnutrition was organized after the invited talk. As per the theme of the day, 'Indigenous Peoples' Right to Self Determination: A Pathway for Food Security and Sovereignty' the documentary screening depicted the situation of malnutrition and superstitions among the tribal population in Maharashtra, Chhattisgarh, and Jharkhand states in the documentary. This documentary was made by the YouTube News Channel, The Wire.

After the screening, two students shared their thoughts on the theme of the documentary. The President of the programme, Dr. Suresh Patil Sir, explained how malnutrition and superstitions have

engulfed the tribal communities across India. Dr. D. J. Bhandare managed the screening process and selection of the documentary on YouTube. He delivered a vote of thanks of the programme.

PO's and PSO's covered:

Programme Objectives (PO's):

1. To create awareness among students about the concept of Indigenous Peoples across the world.
2. To study the lifestyle, cultural values, and traditions of tribal communities in India.
3. To understand the geographical distribution of tribal groups in India and the world.
4. To sensitize students about the issues of malnutrition and superstitions among tribal populations.
5. To highlight the theme "*Indigenous Peoples' Right to Self-Determination: A Pathway for Food Security and Sovereignty.*"
6. To encourage students to reflect and express their views on the challenges faced by tribal communities.

Programme Specific Outcomes (PSO's):

1. Students gained knowledge about the concept of Indigenous Peoples at global and national levels.
2. They understood the cultural diversity, traditions, and lifestyles of tribal groups in India.
3. Students became aware of the challenges of malnutrition and superstitions faced by tribal communities.
4. The programme helped students connect the theme of self-determination with food security and sovereignty.
5. It encouraged critical thinking and sensitivity among students towards tribal issues.
6. Students actively participated by sharing their reflections and thoughts on the documentary theme.
