On 2nd to 8th Jan., 2018, we organized Seven day Residential Camp at Minche, Tal. Hatkanangale, Dist. Kolhapur. In this camp 100 students were participated. During this camp, we cleaned the roads and every corner of the village, Construction of rough roads, tree plantation, Health check up and awareness programmes for volunteers and villagers. During this camp, various guest lectures were arranged to give the guidance and life skills to the students. The prominent personalities from various fields and faculty of the college were delivered lectures. During these seven days, the volunteers were shared their views and delivered speeches on various occasions.

PO's and PSO's covered:

PO's:

- 1) To implant the social awareness in to the minds of the students.
- 2) This camp was helpful for the cleaning of the village through the contribution of students.
- 3) To aware the students about the various issues related to the personality, life skills, social problems, humanity, and equality in the society.
- 4) To make students wise for the future challenges in their career.

Date of Report: 2nd to 8th Jan., 2018
