## Short Description of Activity Conducted

The course based on the theme of two aspects of the NGOs these are Managements and Funding. The course deals with theoretical and practical views. The resources of the course are the eminent personalities from the well-known academic institutions and NGOs such as: TISS, SUK etc. The participant has been participated from more than five districts of the Maharashtra. The base of evolution was participative through the field visits and presentation and group discussion. The course will help to start NGOs and Got Funding for the Social service as well as administrative development.
