ANNUAL REPORT

The complaint box opened for six times in the academic year 2016-17. The complaint box was empty for four times. And we received only two complaints in this academic year. The first complaint was belongs to drinking water. And second was belongs to less numbers of available seats in the study room of college library. The complaints were solved by principal and committee members with a proper solution.

For this, we got guidance from the president of institute, secretary of institute and Principal of the college. I am grateful to all the members of the committee for the cooperation.
