2017-18

ANNUAL REPORT

The complaint box was opened on dated 15th of every month. We received only three complaints in this academic year 2017-18. The students requested for providing fans into classroom through the first complaint. And second was regarding separate staircase to get along for girl students in the college campus. The complaints were solved by principal and committee members with a proper solution.

For this, we got guidance from the president of institute, secretary of institute and Principal of the college. I am grateful to all the members of the committee for the cooperation.
