Details Report: -

The second workshop under lead college scheme organized on the subject “**Creative writing**” on 18th February 2020 with three sessions. Writing is the basic skill for knowledge upgradation. Therefore, graduate students must learn these skills for their bright carrier. The present workshop focused on the view of various perspective of writing through the eye of creative writing.

Dr. Himanshu Smarth (well-known writer) was the main resources of first session. He explained, the emotion, observation, will create the great writing. He gave some model to the students about the drama writing. He expressed that, the creative writing nothing but the ideas of involvements readers in fruitful thoughts. **Dr. Supriya Aware** (poet and writer) was the second resource persons for this workshop in second session. She focused on the creative poem. How the poem will become the voice of people. The poem played the role of any social revolution. We want change how it's come without poem? Therefore, we need to understand importance of poem.

Dr. Vijaya Chavan (Principal, VYMP) was the president for this workshop. 80 students from five colleges of cluster have been participated. Dr. Sahadev V.N. has done work as a programme coordinator. Dr. Nisargandh Prabhakar given the introductory speech and Dr. Sahadev V.N. mention the vote of thanks.
