**Detail Reports:**

One day online workshop has been organized on “**Understanding of Rationalism**” held on 1<sup>st</sup> July 2021 with Vivek Vahini Committee. Scientific value is the basic value of modern society as well as Indian constitution. The present society facing so many problems relation to superstition on the ground of Covid-19. Therefore, the need of understand scientific value through the perspective of present scenario.

**Mr. Sanjay Bansode** (Social Activist) was the resource person. He is the well know activist-leader of *Andhshrdha Nirmulan Samiti* of Maharashtra. He expressed that; Knowledge is the power which is got from the nature. The proper use power of knowledge means rationalism. He explained that, to create the

rationalist society there is need of welfare, development and scientific approach of society. The superstition is evil of scientific approach means rationalist society. We need material development but without the mental development material development will create the problems. He appeals to participants watch social problems through the open eyes. and involve to solve social problems through social activities.

There are two part of this workshop one is online presentation the second part of the workshop based on the questioner on the presentation of resources. The online workshop organized through platform of WhatsApp, google meet, YouTube, and Google form etc. More than 92 participants from cluster college and various part of Maharashtra have been participants through google meet at real time.
