

Social Science Committee

To create the social awareness and development of humanity in the minds of students Social Science committee is formed. The youth can develop the nation. As the India is having the largest population of youth; the expectations are more from them. For implementing this mission in society Social science Committee organizes variety of programmes in the college. In the year 2016-17, we organized many programmes for social awareness.

We organized the Group discussion and Debate competition of B.A. II students in Conference Hall. This programme was conducted on 21st March, 2017. The subject of the discussion was entitled 'Are Social Sciences failed to give jobs for youth'.

For the successful organization of this programme all members of the committee were worked a lot. I am very much thankful to all my committee members i.e. Dr. Nitesh Surwase, Mr. Prabhudas Khabade, Mr. Ashok Chavan and Mr. Ramesh Karande and Mr. S. V. Mane.
