

Social Science Committee

To create the social awareness and development of humanity in the minds of students Social Science committee is formed. The youth can develop the nation. As the India is having the largest population of youth; the expectations are more from them. For implementing this mission in society Social science Committee organizes variety of programmes in the college. In the year 2017-18, we organized many programmes for social awareness.

We organized the Lead College workshop in collaboration with Lead College Activity Committee on the subject entitled, 'Social Science Challenges and Opportunities' for selected 40 students of Social Science discipline in the college. The students from outside the campus were also present for this workshop. Four students from Dattajirao Kadam College, Ichalkaranji were participated into the workshop. This programme was conducted on Wednesday, 28th February, 2018. The time for this workshop was 10.30 am to 4.30 pm. It was conducted into two sessions.

The Chief Guest for the first session was Dr. H. N. Kathare from Rajaram College, Kolhapur. He discussed the Challenges before Social Science discipline. For second session Chief Guest was Prof. Arvind Ghodke from New College, Kolhapur. He discussed the Opportunities in Social Science discipline. This lecture was accompanied by Power point presentation.

For the successful organization of this programme all members of the committee were worked a lot. I am very much thankful to all my committee members i.e. Dr. N. P. Surwase, Mr. P. A. Khabade, Mr. A. S. Chavan and Dr. R. H. Karande and Mr. S. V. Mane.

Bhandare Dinesh J.
