

❖ BOOK EXHIBITION PROGRAMME

The Library Committee plans and oversees a rotating roster of exhibitions in the Library that showcase Library holdings and collections and/or enhance the cultural and intellectual life students and faculty members. In particular, Library is committed to presenting a high-quality exhibitions program that supports the teaching and research mission of the college. Preference is given to exhibitions that connect to curriculum, faculty and student research, campus organizations and events, and/or current events. The Exhibitions Committee is responsible for all exhibitions displayed in the Library and is chaired by the Events & Exhibitions honorable guests.
