Department of Botany

Continuous Internal Evaluation- 2021-22

The Department of Botany is always involved in assessing the students by conducting different modes of examinations. The students of B. Sc. part-III are evaluated by various methods. The main objective of this internal evaluation is to check student's knowledge and improve them accordingly. By assessing their methods of answering, they are guided for their mistakes and quarries.

In the academic year 2021-22, the students are assessed by conducting 02 Home Assignment and 01 Unit-test for each paper. The tests were conducted in the classrooms where as the home assignments were given to solving and writing at home. Home assignment is similar to an open book test. The tests and home assignments were checked by respective teachers the student's counseling drive was run to guide the students for their mistakes as well as to improve their writing. These internal evaluation methods improved the students writing skills and they got benefited in the University examinations.

Department of Microbiology

Continuous Internal Evaluation-2021-2022

The Department Of Microbiology is always engaged in assessing the students by conducting different modes of examinations. The students of B.Sc.I, II and III are evaluated by using various methods. The main objective of internal evaluation is to check student's knowledge and improve them. By assessing their method of answering they are guided accordingly.

In the academic year 2021-22, the students are assessed by conducting one unit test for each paper. The test is conducted in the online mode via google forms. To enhance the writing skills students are given question papers and solved question papers are collected through whatsapp groups. When these tests and question papers are checked students are guided by respective teachers to improve their writing skills. These internal evaluation methods improve students writing skills and thinking and they get benefited in the final university examination.
