## Department of Chemistry

(Academic year-2021-23)

### Student Centric Activity: Problem Solving Method

In the world of education there are many different ways to teach and to consolidate what has been learned. In Chemistry some of the topics have numerical problems which are difficult to solve for number of students. These problems are solved by problem solving method. With the help of this method

- Make students More Enthusiastic to solve the problems.
- Build Confidence
- Prepare students for Examination
- Help students to Concentrate
- Give easy way of problem solution
- Make easy calculations
- Perfections of formula

Student Centric Activity: Problem Solving Method  
(Academic year-2022-23)

Outcomes

Department of Chemistry used Problem Solving Method to solve the numerical problems and some of the outcomes of this method are as follows

- It is found that problem solving method makes easy numerical problem solution for the students.
- Students make perfect the formula.
- Students perform calculation method easy and fast.
- Students adopt easily the calculation method.
- Students get relax for problem solution.
- Students liking to solve the problem.

**Continuous Internal Evaluation- 2022-23**

The Department of Botany is always involved in assessing the students by conducting different modes of examinations. The students of B. Sc. part-II are evaluated by various methods. The main objective of this internal evaluation is to check student's knowledge and improve them accordingly. By assessing their methods of answering, they are guided for their mistakes and quarries.

In the academic year 2022-23, the students are assessed by conducting 02 Home Assignment and 01 Unit-test for each paper. The tests were conducted in the classrooms where as the home assignments were given to solving and writing at home. Home assignment is similar to an open book test. The tests and home assignments were checked by respective teachers the student's counseling drive was run to guide the students for their mistakes as well as to improve their writing. These internal evaluation methods improved the students writing skills and they got benefited in the University examinations.
