The Climate Clock

The Climate Clock is a visual representation of the urgency of the climate crisis. It shows the time left before the planet reaches 1.5°C of global warming. The clock also shows the amount of CO₂ already emitted, and the global warming to date.

The Climate Clock factors in current emission trends. According to recent estimates, only 500 billion tones of carbon dioxide can be emitted from 2020 onwards if we are to stay below the 1.5 C threshold. Global emissions have already hit 80 billion tones since then.

Conclusion

The Climate Clock strives to create awareness for the fight against climate change. It shares sustainable changes people can make to their everyday lives to help to contribute to slowing the clock.

Report on Shramdan Activity at Police Station Area, Pethvadgaon

Date: 1st October 2023

Venue: Police Station Area, Pethvadgaon

Organized by: National Service Scheme (NSS), Shri Vijaysinha Yadav College, Pethvadgaon

Introduction:

On **1st October 2023**, the **National Service Scheme (NSS)** unit of **Shri Vijaysinha Yadav College, Pethvadgaon**, conducted a **Shramdan** (cleanliness drive) at the **Police Station Area** in Pethvadgaon. The event was held in the morning session and aimed at cleaning the area surrounding the local police station, which is an important public space in the community. The activity was part of the NSS's ongoing commitment to community service, environmental conservation, and promoting a cleaner, safer environment for all.

Objectives:

The main objectives of the Shramdan activity were:

- To clean the **Police Station Area** and surrounding spaces, ensuring a neat and clean environment for the public and police personnel.
- To raise awareness about the importance of waste management and the detrimental effects of plastic pollution in public spaces.
- To encourage students to take active responsibility for their surroundings and contribute to community development.
- To foster teamwork, discipline, and leadership among NSS volunteers through collective action.

Organizers and Participants:

The event was coordinated and led by:

- **Dr. A. V. Jadhav** (NSS Programme Coordinator)
- **Mr. D. B. Patil** (NSS Programme Coordinator)

The following faculty members were present during the activity:

- **Dr. S. P. Patil**
- **Dr. D. J. Bhandare**

A total of **70 NSS students** from the first and second years participated actively in the cleanliness drive. Their involvement and enthusiasm were crucial to the success of the event.

Activities Conducted:

1. **Waste Collection and Disposal:** The primary focus of the activity was to collect and dispose of waste scattered around the **Police Station Area**. Students collected a significant amount of **plastic waste, dry leaves, and small stones**. By gathering these materials, the students contributed to creating a cleaner, more aesthetically pleasing environment for the police personnel and visitors to the area.
2. **Waste Segregation:** The students practiced **waste segregation**, separating **biodegradable** materials (dry leaves) from **non-biodegradable** materials (plastic waste and small stones). This practice not only ensured proper disposal but also emphasized the importance of waste management, which is vital in reducing environmental pollution and promoting recycling efforts.
3. **Cleaning of Surroundings:** In addition to collecting waste, the volunteers also swept the pathways around the police station, cleared debris, and removed small stones from public spaces. By doing so, the NSS volunteers ensured that the area was not only clean but also safe for the public and the police staff who frequently use these spaces.
4. **Teamwork and Coordination:** The students were divided into teams, with each team assigned to specific sections of the police station area. The activity was highly organized, and the teams worked efficiently to cover the entire area. Through effective coordination, the students were able to complete the task quickly and thoroughly, while fostering a sense of unity and collaboration among the volunteers.
5. **Awareness and Briefing:** Before starting the cleanliness drive, **Dr. A. V. Jadhav** and **Mr. D. B. Patil** addressed the volunteers, briefing them on the

significance of cleanliness, waste management, and the harmful effects of plastic waste on the environment. The students were encouraged to adopt sustainable practices in their daily lives, such as reducing plastic usage and segregating waste.

6. **Faculty Participation:** **Dr. S. P. Patil** and **Dr. D. J. Bhandare** actively participated in the event, supervising the students and offering guidance where necessary. Their presence and involvement were a source of motivation for the students, reinforcing the importance of community service and environmental stewardship.

Outcomes and Impact:

- **Clean and Safe Police Station Area:** The most significant outcome of the Shramdan activity was the cleanliness and improved aesthetics of the **Police Station Area**. The volunteers successfully removed plastic waste, dry leaves, and small stones, ensuring that the area was not only cleaner but also safer for the public and the police personnel who frequent it.
- **Environmental Awareness:** The activity helped raise awareness among the students about the need to reduce plastic pollution and the importance of proper waste segregation. Many students expressed their commitment to adopting more sustainable habits in their personal and academic lives, such as reducing plastic usage and being more mindful of waste disposal.
- **Community Engagement:** The cleaning of the **Police Station Area** had a positive impact on the local community. The NSS volunteers contributed directly to the cleanliness of a key public space, creating a more welcoming environment for visitors and staff. The event also demonstrated the students' sense of social responsibility and their willingness to engage in community service.
- **Team Building and Leadership:** Through this activity, the students had the opportunity to work in teams, which encouraged collaboration and leadership. Many students took on leadership roles within their teams, and the event allowed them to develop skills in teamwork, time management, and coordination.
- **Promotion of Sustainable Practices:** The practice of waste segregation during the event was an important lesson for the students. It demonstrated how simple actions, such as sorting waste, can help reduce the environmental impact and promote sustainability. The students were encouraged to apply

these practices in their everyday lives to make a positive contribution to their community and environment.

Conclusion:

The **Shramdan activity** at the **Police Station Area, Pethvadgaon**, held on **5th January 2024**, was a resounding success. The active participation of **50 NSS students**, along with the guidance and support of the **programme coordinators** and **faculty members**, led to the successful cleaning and beautification of the police station area.

The event not only made the area cleaner and safer but also raised awareness about the importance of waste management and environmental conservation. Through this activity, the NSS volunteers demonstrated their commitment to community service and environmental stewardship. The initiative also highlighted the importance of collective action in creating a cleaner, greener environment.

The NSS unit at **Shri Vijaysinha Yadav College** remains committed to organizing similar activities in the future, encouraging students to take an active role in improving their surroundings and making a positive impact on society.

नशा मुक्त भारत अभियान

भारत सरकार के सामाजिक न्याय और अधिकारिता मंत्रालय द्वारा एक नशा मुक्त भारत अभियान (NMBA) के तहत ब्रह्माकुमारों के साथ 4 मार्च, 2023 को, नई दिल्ली में समशीता जापन पर हस्ताक्षर किए गए। यह अभियान ब्रह्माकुमारों द्वारा भारत के सभी राज्यों एवं केंद्र शासित प्रदेशों के 372 जिलों में लागू किया जाएगा।

डॉ. बॉरेड्र कुमार, कैबिनेट मंत्री (सामाजिक न्याय एवं अधिकारिता मंत्रालय): "यह अभियान अब एक जन आंदोलन का रूप ले चुका है। यह दिन प्रतिदिन देश के कोने कोने में फैल रहा है। आध्यात्मिक नेताओं की मार्गदर्शी से ना केवल मिशन की पहुंच बढ़ेगी बल्कि आध्यात्मिक सशक्तिकरण के द्वारा लोगों को नशे से मुक्त होने में भी सफलता प्राप्त होगी।"

नशा और इसका तंत्र (Addiction and its Mechanism)

नशा एक दिमागी बीमारी है और बार-बार होती रहती है (Chronic relapsing disorder), जो नकारात्मक परिणामों के बावजूद, अर्थात् उचित पदार्थ या व्यवहार का निरंतर उपयोग करता है। नशीले पदार्थों का उपयोग करता है और व्यवहार संबंधी तत्त का शिकार होता है। (substance use disorder & behavioural addiction)

नशीले पदार्थ या व्यवहार मस्तिष्क में आनंद केंद्र को सक्रिय करता है जिसे न्यूक्लियस अकुम्बेंस (nucleus accumbens) और मेसोलिम्बिक कॉर्टेक्स (mesolimbic cortex) के रूप में जाना जाता है, जो डोपामाइन को रिलीज करता है और यह एक बहुत शक्तिशाली रासायनिक पदार्थ है। धीरे-धीरे यह आनंद केंद्र अचिन्तित हो जाता है और डोपामाइन की अनुपस्थिति में व्यक्ति व्यस्त करने लगता है, जिससे नशे के ऊपर निर्भरता और नशे के तत्त की बीमारी हो जाती है। भारत में लगभग 8 से 10% लोग नशे की आदतों के आदी हैं। इनमें चरस, गांजा, अफीम, मां, सिगरेट, शराब, बीड़ी आदि पदार्थों का प्रयोग शामिल है। नशे की इन आदतों के फलस्वरूप लोगों को समाज में कानूनी, सामाजिक, आर्थिक परेशानियों और स्वास्थ्य संबंधी समस्याओं का सामना करना पड़ता है।

इस अभियान के अंतर्गत आध्यात्मिक सशक्तिकरण और आपसी परामर्श द्वारा नशा मुक्त के लिए मन के छात्रीयन को दूर कर मानव समाज को सशक्त बनाया जा रहा है।

नशे का प्रबंधन (Management of addiction)

नशे की लत कितनी भी पुरानी क्यों न हो, अच्छी खबर यह है कि उचित मार्गदर्शन और परामर्श, दवाओं, पोषिक आहार और ध्यान के विवेकापूर्ण उपयोग से व्यक्ति किसी भी लत को छोड़ सकता है। हल्के या मध्यम मामलों को आगे की आधार पर प्रबंधित किया जा सकता है लेकिन लत के गंभीर मामलों में हस्तक्षेप में यती करवा कर गहन देखरेख की जरूरत पड़ती है। नशे के आदी-आमती पर पूरी तरह से ठीक होने में कुछ महीनों से लेकर वर्षों तक का समय लेते हैं।

राजयोगी जीवन शैली का सार

राजयोगी जीवन शैली ब्रह्माकुमारों द्वारा विश्व भर में पिछले 8 दशकों से सिखाई जा रही है और आज भी सभी उम्र और पृष्ठभूमि के 12 लाख से भी अधिक स्वी-पुरुष नियमित रूप से इसका अभ्यास करते हैं। यह आध्यात्मिक जीवन जीने का कला है। रोजाना नियमित रूप से ध्यान करना, आध्यात्मिक जागरूकता का निर्माण, स्वयं को समर्थ बनाने की, आत्मा की निज सकारात्मक गुणों की अनुभूति करने की और धर्म से मुक्ति प्राप्त करने की एक मुक्ति है। शारीरिक और मानसिक शक्ति प्रदान करने वाले आध्यात्मिक आधार: सार्वभौम आहार, सकारात्मक चिंतन, राजयोग मैडिटेशन, आत्मिक स्थिति का अभ्यास और एक संतुलित दिनचर्या का नियमित पालन जो कि, आध्यात्मिक जीवन शैली का मानदंड है। इस जीवन शैली से नशा मुक्त जीवन जीने में सहायता मिलती है। राजयोग से आध्यात्मिक समझ, ईमानदारी के साथ नेतृत्व और बेहतर दुनिया के लिए प्रेरक काम करने की और बढ़ावा देता है।

राजयोगी जीवन शैली से नशामुक्ति पर अनुसन्धान

भारत के 25 राज्यों और 2 केंद्र शासित प्रदेशों में से छोटे गए 1021 व्यक्तियों पर किए गए राजयोग जीवन शैली के प्रयोग के फलस्वरूप व्यसन मुक्त होने का अध्ययन किया गया। विभिन्न प्रकार की प्रणियों जैसे की अनपढ़ से लेकर शिक्षित वर्ग, पेशेवर वर्ग के व्यक्तियों पर राजयोगी जीवन शैली अपनाने से विभिन्न प्रकार के नशों से मुक्त होने का अध्ययन किया गया। राजयोगी जीवन शैली अपनाने के फलस्वरूप 65% लोगों ने 1 महीने में और 85% लोगों ने 1 वर्ष में अपने नशे फरने की आदतों से मुक्ति प्राप्त की। इनमें से कुछ प्रतिशत लोग पुनः नशे की आदतों का शिकार हुए। मात्र 1% छोड़ नहीं पाए। व्यसन छोड़ने वाले लोगों में से 52% लोगों ने अन्य लोगों को भी व्यसन और नशे से मुक्त होने के कार्य में सहयोग दिया।

अध्ययन से राजयोगी जीवन शैली के विभिन्न स्रोतों जैसे कि अमृतवेला, ट्रैफिक कंट्रोल, शुद्ध खानपान, आत्मिक स्थिति का अभ्यास, तथा सुबह और संध्या काल का योग मेडिटेशन के अभ्यास से यह पता चला कि इस जीवन शैली को अपनाने से सीधे तौर पर नशा मुक्त होने में मदद मिलती है और साथ ही साथ चारित्रिक वा सामाजिक बुराइयों से मुक्ति भी होती है। जिन लोगों ने अपने नशे को आदत और व्यसन को छोड़ा उनके द्वारा व्यक्तिगत, सामाजिक, आर्थिक, पारिवारिक उन्नति हुई वा सामाजिक समरसता की स्थापना हुई।

NSS UNIT

SHRI VIJAYSINHA YADAV COLLEGE, PETHVADGAON

Report on Shramdan Activity at Shri Vijaysinha Yadav College, Pethvadgaon

Date: 17th October 2023

Venue: College Ground, Shri Vijaysinha Yadav College, Pethvadgaon

Organized by: National Service Scheme (NSS), Shri Vijaysinha Yadav College, Pethvadgaon

Introduction:

On **17th October 2023**, the **National Service Scheme (NSS)** unit of **Shri Vijaysinha Yadav College, Pethvadgaon**, organized a **Shramdan** (cleanliness drive) to clean the college ground. The event took place in the morning session and aimed to improve the campus environment by promoting cleanliness and raising awareness about the harmful effects of waste, particularly plastic.

Objectives:

The main objectives of the Shramdan activity were:

- To clean the college ground and create a more welcoming and hygienic environment for students and visitors.
- To raise awareness about the dangers of plastic waste and the importance of proper waste disposal.
- To engage NSS students in community service and environmental protection efforts.
- To instill values of teamwork, responsibility, and environmental consciousness among the participants.

Organizers and Participants:

The activity was organized and coordinated by:

- **Dr. A. V. Jadhav** (NSS Programme Coordinator)
- **Mr. D. B. Patil** (NSS Programme Coordinator)

The following faculty members were present and contributed to the success of the activity:

- **Dr. S. S. Patil**
- **Smt. S. A. Patil**
- **Dr. S. P. Patil**

A total of **85 NSS students** from the first and second year participated in the event. These students, guided by the faculty, worked together to clean the college ground and dispose of waste in an eco-friendly manner.

Activities Conducted:

1. **Waste Collection and Disposal:** The students started the Shramdan by collecting waste scattered across the college ground. The primary focus was on picking up **plastic waste, small stones, and dry leaves**. Volunteers spread across the ground in teams, ensuring no area was left untouched. The plastic waste, a significant environmental concern, was gathered separately for proper disposal and recycling.
2. **Waste Segregation:** The students practiced waste segregation as part of the activity. They categorized waste into different groups, including biodegradable (dry leaves) and non-biodegradable (plastic, small stones), and made sure each type was disposed of in the correct bin. This helped in fostering an understanding of sustainable waste management among the participants.
3. **Cleaning and Beautification:** In addition to waste collection, students also worked on clearing the grounds of small stones and other debris. The removal of such items not only enhanced the visual appeal of the college ground but also contributed to safety by reducing tripping hazards. After cleaning, the grounds appeared much more organized and welcoming.
4. **Teamwork and Coordination:** The students were divided into smaller groups, each responsible for a specific section of the college ground. This division of tasks ensured efficiency and allowed students to work collaboratively, fostering teamwork. It also gave students an opportunity to develop leadership skills as they coordinated and managed their respective groups.

5. **Awareness Session:** Prior to starting the cleaning activities, the programme coordinators, **Dr. A. V. Jadhav** and **Mr. D. B. Patil**, conducted a brief session explaining the importance of cleanliness, waste management, and the environmental impact of plastic. The students were encouraged to reduce plastic usage and adopt sustainable practices in their everyday lives.

Faculty Involvement:

The faculty members, including **Dr. S. S. Patil**, **Smt. S. A. Patil**, and **Dr. S. P. Patil**, participated actively in the event. Their presence and involvement not only motivated the students but also set an example of leadership and dedication to community service. The faculty assisted in overseeing the work and ensured that the activity ran smoothly.

Outcomes and Impact:

- **Clean College Ground:** The primary objective of cleaning the college ground was successfully achieved. The campus now presents a much cleaner and more organized environment for students, faculty, and visitors.
- **Environmental Awareness:** The activity helped raise awareness about the dangers of plastic waste and the need for its proper disposal. Many students expressed their commitment to reducing plastic use and adopting eco-friendly practices in their daily routines.
- **Enhanced Teamwork:** The event fostered collaboration among the students, allowing them to work as a team to achieve a common goal. The collective effort demonstrated the power of teamwork in achieving positive results.
- **Waste Management Awareness:** The students gained practical experience in waste segregation and disposal, learning the importance of separating biodegradable from non-biodegradable waste. This knowledge is essential for creating sustainable practices within the community.

Conclusion:

The **Shramdan activity** at **Shri Vijaysinha Yadav College, Pethvadgaon** on **17th October 2023** was a huge success. The NSS volunteers, along with faculty members, contributed significantly to cleaning the college ground and promoting environmental consciousness. Through this initiative, students not only helped

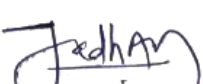

beautify the campus but also gained valuable insights into waste management and environmental protection.

The NSS unit at **Shri Vijaysinha Yadav College** remains dedicated to organizing such activities that contribute to both the local community and the overall development of the students. The success of this Shramdan serves as a reminder of the importance of cleanliness and the role every individual plays in keeping their environment clean and sustainable.

The NSS team would like to thank all the students and faculty members who participated and worked diligently to make this event successful. Their enthusiasm and hard work were key to the achievement of the event's objectives

NSS UNIT

SHRI VIJAYSINHA YADAV COLLEGE, PETHVADGAON

Report on Shramdan Activity at Library Campus, Shri Vijaysinha Yadav College, Pethvadgaon

Date: 21st December 2023

Venue: Library Campus, Shri Vijaysinha Yadav College, Pethvadgaon

Organized by: National Service Scheme (NSS), Shri Vijaysinha Yadav College, Pethvadgaon

Introduction:

On **21st December 2023**, the **National Service Scheme (NSS)** unit of **Shri Vijaysinha Yadav College, Pethvadgaon**, organized a **Shramdan** (cleanliness drive) at the **Library Campus** of the college. The event, conducted in the morning session, aimed to enhance the cleanliness and environmental quality of the library premises, which serves as a hub for academic learning. The activity was part of the NSS's ongoing commitment to promoting environmental awareness and community service among students.

Objectives:

The primary objectives of the Shramdan activity were:

- To clean the **Library Campus** and surrounding areas, ensuring a hygienic and inviting environment for students and faculty members.
- To raise awareness about the harmful effects of plastic pollution and the importance of waste management and segregation.
- To instill a sense of responsibility and teamwork among NSS students, fostering a spirit of community service.
- To create an environment conducive to learning by ensuring the library area is free from waste, dry leaves, and other debris.

Organizers and Participants:

The event was organized by the following programme coordinators:

- **Dr. A. V. Jadhav** (NSS Programme Coordinator)
- **Mr. D. B. Patil** (NSS Programme Coordinator)

The following faculty members were present and contributed to the success of the event:

- **Dr. S. P. Patil**
- **Dr. D. J. Bhandare**

A total of **85 NSS students** from the first and second years participated in the Shramdan activity. The students worked enthusiastically, carrying out various tasks aimed at cleaning the library campus and its surroundings.

Activities Conducted:

1. **Waste Collection and Disposal:** The main task for the day was to collect waste scattered around the library campus. The students focused on gathering **plastic waste**, **small stones**, and **dry leaves**, which had accumulated on the paths, in gardens, and around other areas of the campus. Volunteers systematically covered the entire area, ensuring no waste was left behind.
2. **Waste Segregation:** The NSS volunteers practiced **waste segregation**, categorizing the collected materials into **biodegradable** (dry leaves) and **non-biodegradable** (plastic, small stones). By segregating the waste, students helped ensure proper disposal and recycling. This practice also highlighted the importance of reducing waste, reusing materials, and recycling.
3. **Cleaning of Surroundings:** In addition to waste collection, students worked on sweeping pathways, clearing debris, and cleaning around the library building. This task was aimed at making the area not only cleaner but also safer and more visually appealing for students and staff who use the library for study and academic purposes.
4. **Teamwork and Coordination:** The volunteers were divided into smaller groups, each responsible for cleaning specific areas of the library campus.

Working in teams allowed the students to organize their efforts efficiently, complete tasks quickly, and foster a spirit of collaboration. It also helped in managing the large number of participants, ensuring that the work was done systematically.

5. **Awareness Session:** Before beginning the cleaning work, **Dr. A. V. Jadhav** and **Mr. D. B. Patil** addressed the students and provided a brief session on the importance of cleanliness, waste management, and the detrimental effects of plastic pollution. The coordinators encouraged the students to carry forward the lessons learned in the event to their daily lives and promote cleanliness within their communities.
6. **Faculty Participation:** Faculty members, including **Dr. S. P. Patil** and **Dr. D. J. Bhandare**, were present throughout the activity, actively participating and overseeing the work. Their presence motivated the students and helped ensure that the tasks were carried out effectively. They also offered guidance on waste segregation and provided moral support to the volunteers.

Outcomes and Impact:

- **Clean Library Campus:** The most significant outcome of the Shramdan activity was the cleaning and beautification of the **Library Campus**. Plastic waste, small stones, and dry leaves were collected and disposed of properly. The overall environment of the library area was made cleaner, safer, and more inviting for students and faculty.
- **Environmental Awareness:** The activity helped raise awareness among the students about the harmful effects of plastic and the need for proper waste segregation. Many students expressed their commitment to adopting more eco-friendly habits, such as reducing plastic usage and segregating waste in their homes and communities.
- **Team Building and Leadership:** Through teamwork, the students developed essential skills in coordination, time management, and leadership. As each team worked on specific tasks, they learned to collaborate effectively, and some students took the initiative to lead their groups, strengthening their leadership abilities.
- **Promotion of Sustainability:** The practice of waste segregation during the event reinforced the importance of recycling and reducing waste. By teaching students to separate biodegradable and non-biodegradable materials, the activity encouraged sustainable waste management practices.

Conclusion:

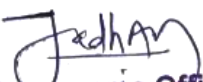

The **Shramdan activity** at the **Library Campus** of **Shri Vijaysinha Yadav College, Pethvadgaon**, held on **21st December 2023**, was a highly successful initiative. The combined efforts of the NSS volunteers, guided by their programme coordinators and faculty members, led to a cleaner and more organized library area. The event not only contributed to the college's cleanliness but also served as a reminder of the importance of environmental responsibility and community service.

The NSS unit remains committed to organizing such activities regularly, ensuring that students not only contribute to the cleanliness of their campus but also become responsible citizens who care for the environment. This Shramdan activity was an excellent example of how collective action can lead to meaningful change in the community.

The NSS team would like to extend its gratitude to all the students, faculty members, and participants for their hard work and dedication. Their active involvement and positive attitude were essential to the success of this event.

A total of **105 NSS students** from both **first and second years** participated in the cleanliness drive. The students, guided by their faculty and coordinators, were divided into small groups to work efficiently on different roads and lanes within the village.

Activities Conducted:

1. **Cleaning of Roads and Lanes:** The main task for the day was to clean the **roads and lanes** in and around **Tasgaon Village**. The volunteers collected and disposed of **plastic waste, dry leaves, dirt**, and other debris that had accumulated along the roads. They ensured that both the **main roads** and **narrow lanes** were thoroughly cleaned.
2. **Waste Segregation and Disposal:** The students also practiced **waste segregation** during the cleaning process. The collected waste was sorted into categories such as **biodegradable** (dry leaves, organic matter) and **non-biodegradable** (plastic, paper, and other waste materials). Proper disposal methods were followed, with the biodegradable waste being set aside for composting and non-biodegradable materials being collected for recycling or proper disposal.
3. **Sweeping and Clearing the Roads:** Volunteers used **brooms** and **dustpans** to sweep the roads, especially in areas where garbage and dust had accumulated. The narrow lanes, which often get overlooked in regular cleaning drives, were also given special attention. The students worked

together to ensure that the entire village, from the main thoroughfares to the internal lanes, was cleaned systematically.

4. **Teamwork and Coordination:** The cleaning activity was organized in teams, with each group assigned to a specific section of the village. This approach helped ensure the work was done efficiently. The students demonstrated excellent teamwork, coordinating their efforts to cover a wide area in a short time. By splitting into smaller groups, the volunteers were able to handle the various tasks and clean multiple lanes and roads simultaneously.
5. **Community Engagement and Awareness:** During the cleaning activity, the NSS volunteers interacted with the local community members, engaging them in discussions about the importance of maintaining cleanliness and waste management. The students shared tips on reducing plastic usage and encouraged villagers to adopt better waste disposal practices. This exchange helped strengthen the bond between the volunteers and the local community.
6. **Briefing and Motivational Session:** Before starting the cleaning work, **Dr. A. V. Jadhav** and **Mr. D. B. Patil** gave a brief session to the students, motivating them and emphasizing the importance of community service. They encouraged the students to take ownership of the cleanliness initiative and to adopt the values of teamwork, leadership, and responsibility. **Dr. S. S. Patil**, **Dr. R. A. Pawar**, and **Dr. A. S. Pawar** were present to supervise and guide the students, ensuring that the work was carried out properly.

Short Description of Conducted Activity:

Department of Chemistry, Shri Vijaysinha Yadav College, Peth Vadgaon worked in **Watering Tree Plants at Mahalaxmi Biodiversity Park, Tasgaon, Maharashtra-416122** on 30th Jan., 2024 at 8.30 am to 11.00 am. Natural vegetation is a valuable natural resource. It is an important factor to maintaining environmental balance and it is necessary, more than 33 per cent out of total geographical area should be under forest cover. But last few decades proportion of forest is decreasing very rapidly not only in Maharashtra but also in India. The current scenario of the Kolhapur district and Hatkanangale tehsil showed only 18.47 and 2.35 per cent forested land. As concern to Peth Vadgaon, it has no forest area. Recently as per Govt. directions, 6.52 hectare area has been developed as an ‘Oxygen Park’ with new endemic species plantation.
