4.1.1 The institution has adequate facilities for teaching-learning viz. classrooms, laboratories, computing equipment, etc.

Ever since its establishment, our college has augmented its infrastructure continuously over the years. The Institution has taken progressive steps to provide various infrastructural facilities for students like well-ventilated classrooms, updated library, separate reading room for students, spacious Sports facility, digitally loaded language and computer lab, well-equipped laboratory, separate NSS unit, spacious and facilitated NCC Unit building, Common room for girls, good sanitation facility, canteen, washrooms for faculty and students, ramp for physically disabled, Solar energy electricity generation plant, etc. Staff room and separate cabins for faculty are provided for the smooth running of academic work.

The campus of the college acquires 4.15 acres of land. Total 16 programs are affiliated to Shivaji University, Kolhapur for the under graduate courses that comprises Faculty of Arts (Marathi, Hindi, English, Sociology, History, Political Science, Economics, Geography) and Faculty of Science (Chemistry, Physics, Mathematics, Computer Science, Botany, Zoology and Microbiology) and Faculty of Commerce. To make the examination process effortless, examination section is well equipped with advanced Printing and Scanning machine with SRPD system. The institution has R.O. purified drinking water plant having capacity of 1000 litres of purified water outlet per hour for all stakeholders and society.

Library:

The library of our college is well-equipped, spacious and ventilated. Library has total 353 sq. mts. built-up area which includes, Reading room for boys and girls, reading space for faculty, rack for new arrivals, E-resources section, Photocopier, Newspaper rack, well maintained furniture with Reference books, Text books, periodicals, Journals etc.

Laboratories:

All the laboratories are spacious and ventilated. They have advanced tools, instruments and equipment. As per the requirements for upgradation of laboratories the college has provided various facilities like, Dark room, Semi-Dark room, Instrumentation room, Store room, Preparation room, racks and furniture, refrigeration facility, Microwave Oven, LPG, electricity generator etc. The laboratories have also provided the protection of Fire extinguisher and First Aid kits in all laboratories. Department of Chemistry, Physics, Mathematics, Computer Science, Botany, Zoology, Microbiology and Geography have adequate laboratories for smooth functioning of teaching-learning process.

Computing equipment:

The institution has total 70 well-functioning computers with internet facilities. There are 10 routers for internet connectivity, 12 printers with scanning facility, separate scanner, 03 advanced copier machines with scanning facility, All the computer systems are connected by LAN server. The institution has electricity backup through generator. There is also a facility of inverters at office and IQAC room during whenever needed. The institution has connected with 50 Mbps bandwidth of internet. The campus is under CCTV surveillance with 16 cameras installed at strategic places.

Administrative Office:

The institution has well-planned administrative office with closed and secured seating arrangement. The procedure of all student related work can be easily sort out through the arrangement of counter as per the preference. The Office Superintendent cabin is spacious and well equipped. The lavish furniture facilitates all type of filing and documentation at defined places. All the computers are connected to a central network of server with administrative software makes every task easy in the administration.
