'Understanding IPR and Patenting'

Organized by IQAC, Criteria III & Research Committee

Tuesday, 21st January 2020

The Criteria III of NAAC and Research Committee jointly organized One day workshop on 'Understanding IPR and Patenting' on Tuesday, 21 January 2020. The workshop was held from 10.00 am to 05.00 pm with 03 sessions on IPR and patenting. Mr. Sagar B. Pol, Asst. controller, Patents and Designs, Patent office, Mumbai was the resource person for the workshop. In his first session on understanding IPR, he explained about different types of Intellectual properties and their rights. He discussed the difference in Patent, Copyright, GI, Trademark, Design, Trade Secret, etc. In the second session he talked on the process of patent filing. He also added about career opportunities and minimum qualification required in patenting system for the students. The third session was of question-answers where the participants asked the queries about IPR and patenting which are answered by Mr. Pol.

Inauguration of the workshop by Pratima pujan
