Report on “Group Discussion”

2025-2026

Topic:	Aadhar Payment Bridge System
Day Date:	Thursday, 02/04/2026
Venue:	Computer Lab
Event:	Group Discussion
Participants:	B.Sc. 3rd and B.Sc 2nd Year Students

A group discussion on the topic “Aadhar Payment Bridge System” was conducted on 02 April 2026 in the Computer Lab. The event aimed to provide students with a platform to share their knowledge and perspectives on digital payment infrastructure in India.

Students from B.Sc. 2nd and 3rd year actively participated in the discussion. Various aspects of the Aadhar Payment Bridge System (APBS), including its working mechanism, benefits, challenges, and role in direct benefit transfer (DBT), were discussed. Participants expressed their views on how APBS helps in financial inclusion by linking Aadhaar numbers with bank accounts for seamless transactions.

The discussion was interactive and engaging, allowing students to exchange ideas, ask questions, and analyze real-world applications of the system.

1. Concept & Purpose

- What APBS is and why it was introduced
- Role in strengthening India’s digital payment ecosystem
- Link with welfare delivery and financial inclusion

2. Role in Government Schemes

- Use in Direct Benefit Transfer (DBT)
- Ensures subsidies (LPG, pensions, scholarships) reach beneficiaries directly
- Eliminates middlemen and leakages

3. Benefits of APBS

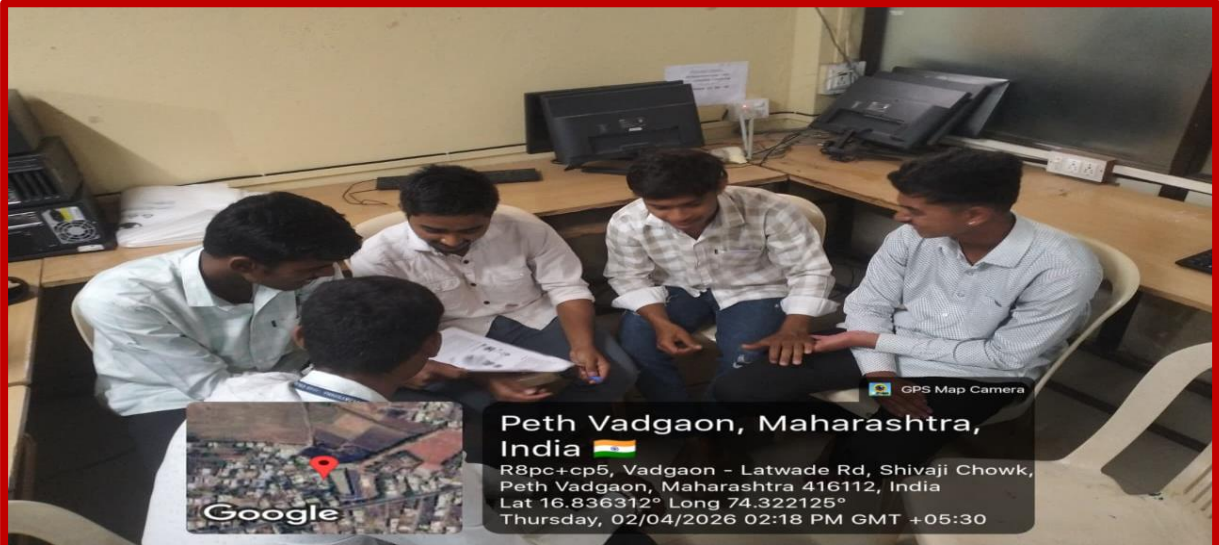

- Faster and direct fund transfer
- Transparency and accountability
- Reduced corruption
- Easy identification using Aadhaar
- Cost-effective system for government

Conclusion

The Aadhaar Payment Bridge System (APBS) has significantly improved the way government benefits are delivered by making the process faster, more transparent, and efficient. Through its integration with schemes like Direct Benefit Transfer, it has reduced corruption and ensured that funds reach the right beneficiaries directly..
