Name of organizer: Department of computer science

Name of the Resource Person: Mr.Pravin Gurav

A guest lecture on the **Software Project** was organized by the Department of Computer Science on 24/01/2026, with the goal of guiding prospective students in their preparation for the **Software Project**

A guest lecture on software projects was conducted to provide students with practical insights into the software development industry. The session aimed to bridge the gap between academic learning and real-world application by exposing students to current trends, tools, and methodologies used in software project development.

Objectives of the Lecture

- To understand the lifecycle of a software project
- To gain insights into industry expectations and best practices
- To enhance knowledge about teamwork, version control, and project management tools

The guest lecture was successfully organized under the guidance of the Mr. **Pravin Gurav**. His support and coordination played a

vital role in conducting the session smoothly. The event was well-managed and provided a valuable learning experience for all the students.
