Department of Computer Science

Report on “Industrial Session”

Date & date:	Saturday 21st February 2026
Venue:	Walstar technology Kolhapur
Participants:	B.Sc. III Year Students & 4 Faculty Members
Session conducted by:	Industry Experts from Walstar technology

The Department of Computer Science organized an **industrial session** at **Walstar technology Kolhapur** on **21st February 2026**. The session aimed to provide students with **industry insights, emerging technologies, and career opportunities** in the IT sector.

Objective

- To introduce students to **real-world industry practices**.
- To provide knowledge on **latest technologies** like **AI, Cloud Computing, and Cyber security**.
- To help students understand **corporate expectations and required skill sets**.
- To guide students on **career opportunities and industry trends**.

Session Highlights

Introduction to IT Industry: Overview of Walstar role in global IT services.

Emerging Technologies: Insights into Artificial Intelligence, Cloud Computing, Cyber security, and Data Science.

Software Development Lifecycle (SDLC): Explanation of **Agile and DevOps** methodologies.

Industry Readiness & Skills: Discussion on **technical skills, soft skills, and certifications** required for careers in IT.

Q&A Session: Interactive session where students got their queries answered by industry experts.

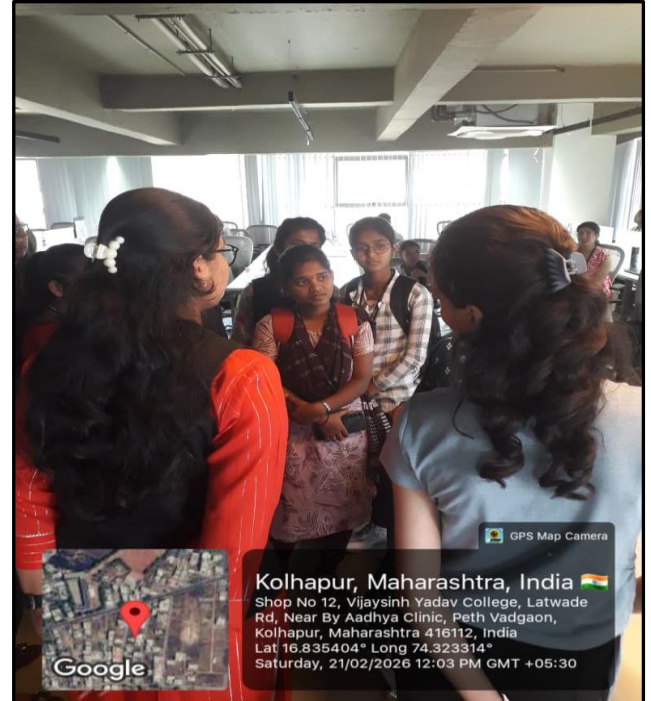

Conclusion

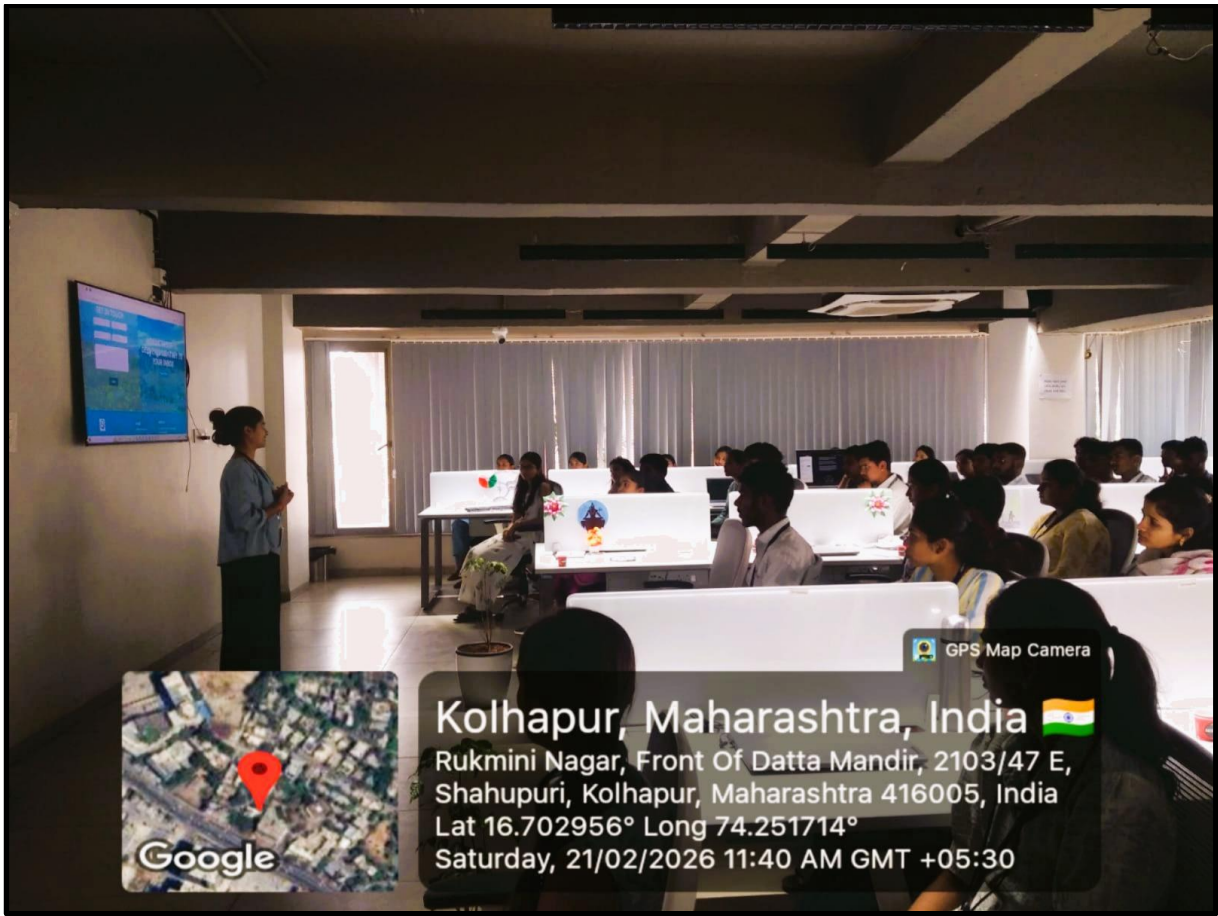

The industrial session was **highly informative and beneficial** for students. It helped them gain a **practical understanding of the IT industry**, learn about **latest trends**, and explore **career opportunities**. The session motivated students to enhance their **technical skills and industry readiness**.

Acknowledgment

The **Department of Computer Science** extends heartfelt thanks to **Walstar technology Kolhapur**, for conducting the session and sharing valuable industry insights. Special appreciation to the faculty members for organizing and coordinating the event successfully.

Dear Sir/Madam,

Thank you for choosing Walstar Technology for your students' upcoming Industrial Visit. We are delighted to provide a meaningful and educational experience that aligns with their expectations and learning goals. This is to inform you that yes, we can conduct the Industrial Visit.

We can arrange the visit on -
Date and Time: **21 Feb 2026 & 11.00 am.**

To streamline the visit, we request you to a google form to be filled from the concerned professor for the basic details. -- <https://forms.gle/XhMQYUNqrhzvzxRw7>
(please fill the form once again as we have not received response from your end)

Office Address:
2103/47E, Rukmini Nagar,
Front of Datta Mandir,
Back side of Sayaji Hotel,
Kolhapur, Maharashtra 416005

Warm Regards,
HR Department
Walstar Technologies Pvt Ltd

Could you please share the schedule for our students' visit day?"

Dear Sir/Madam,

Thank you for your message.

Yes, 21 February 2026 (Saturday) is fine for us. We are pleased to confirm the industrial visit on the scheduled date.

I filled out the preference form on 20 February after receiving confirmation from the students. Kindly let me know if any further information or arrangements are required from our side.

Looking forward to your confirmation.

Thank you.

Best regards,
Sonali Nirmale
