

Shri Vijaysinha Yadav College, Peth Vadgaon
Department of Computer Science
2025-26

Name of Activity:	Poster Presentation Event on Supercomputer
Date and Time:	11th October 2025 11.00AM
Target Group:	All Science Students
Total Students:	54(20 Groups)
Name of organizer:	Department of computer science
Examiners:	Prof.Dr.Sndip Patil, Prof.Dr.Dinesh Bhandare.
Venue:	Computer Lab

Objectives

- To develop students' understanding of high-performance computing and its applications.
- To encourage teamwork, research, and creativity among students.
- To provide an opportunity for students to present technical content in a visually appealing format.
- To inspire students to learn about Indian scientists and their contributions to technology.
- To strengthen presentation and communication skills of participants.

The Department of Computer Science of Shri Vijaysinha Yadav College, Peth vadgaon, organized a **Poster Presentation** competition on the occasion of the **birth anniversary of Dr. Vijay Bhatkar**, the renowned scientist and architect of India's first supercomputer, PARAM. The theme for the event was "**Super Computer.**"

The main aim of this event was to commemorate the birth anniversary of **Dr. Vijay Bhatkar** and to enhance students' knowledge and awareness about **supercomputers**, their functioning, and their impact on technological advancement in India and the world.

The event began at **11:00 a.m.** in the **Computer Lab**. A total of **54 students**, divided into **20 groups**, actively participated in the competition. Each group prepared and displayed posters illustrating various aspects of

supercomputers, including their design, evolution, architecture, and uses in scientific research and industries.

The event was judged by **Dr. Sandip Patil Sir** and **Dr. Dinesh Bhandare Sir**, who assessed the posters based on creativity, accuracy, presentation skills, and clarity of concepts. Both examiners appreciated the efforts of the students and provided insightful feedback for further improvement.

Judging Criteria:

- Content.
- Design and layout
- Presentation skills and clarity.
- Overall Impact
- Technical competency
- Ability to answer queries effectively.

Outcome

- Students gained in-depth knowledge about **supercomputers and their relevance** in modern computing.
- The event boosted **teamwork, creativity, and communication skills** among participants.
- It created **awareness about Indian scientific achievements**, particularly those of Dr. Vijay Bhatkar.
- Students learned to present technical ideas effectively through visual representation.

Suggestions for Improvement

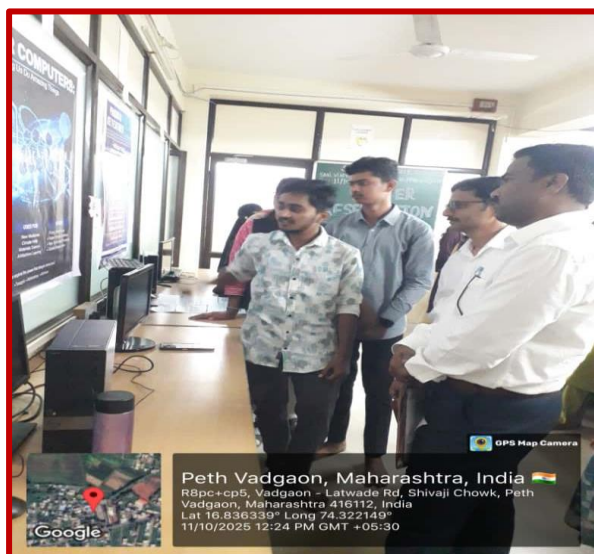

- Future events can include a **short seminar or demonstration session** on real-world applications of supercomputers.
- **More time for preparation** and poster display can enhance the quality of work.
- Organizing a **quiz or interactive session** related to the topic could increase engagement.
- Providing **certificates of participation and appreciation** would further motivate students.

Conclusion

The Poster Presentation on the topic “*Super Computer*” was a **successful and**

enriching academic activity. It not only celebrated the legacy of **Dr. Vijay Bhatkar** but also encouraged students to explore the fascinating world of computing technology. The event achieved its objectives effectively and received positive feedback from both students and examiners

Notice

Date: 3/10/ 2025

Dear Students,

The Department of computer Science is organizing a **poster presentation Competition** on 11th October 2025 at 11.00 am the topic “**Supercomputers**” to celebrate the birthday of **Dr. Vijay Bhatkar**, the scientist who created India’s first supercomputer, PARAM.

All B.Sc. students (1st, 2nd, and 3rd year) are invited to join. You can participate **alone** or in **groups** of up to **3** students.

Important Points:

- Posters should be about supercomputers – their use, design, or future.
- Submit your posters or your names to the department by **9th October 2025**.
- Certificates will be given to the best 3 posters.
- Place Computer Lab

For more information contact: Computer Science Dept.

Let’s celebrate Dr. Vijay Bhatkar’s birthday by learning and sharing about supercomputers!

Organize Poster presentation on "Supercomputer"

List of Participants

Sr.no	Group	Name of the students	Poster topic
1	1	Suhana Khan	Features of Supercomputer
		Sandhya Patil	
		Arjun Patil	
2	2	Prachi Chandrakant Patil	Learing and sharing about Supercomputer
3	3	Pranoti Katkar	Supercomputer Uses
		Tanuja Deshmukh	
4	4	Simaran Sajjad Sanade	Parts of Supercomputer
		Sayali Mane	
		Sneha mane	
5	5	Rutika Chougule	Latest Supercomputer-Airawat
		Rutuja Sawant	
		Saniya Mullani	
6	6	Ruksar Sanand	India Supercomputer
		Sulochana patil	
7	7	Samruddhi Patil	PARAM Supercomputer
		Vaishnavi Patil	
		Sanika Kumbhar	
8	8	Tejaswini Sapkal	India Supercomputer(Innovation Dicovery)
		Saniya Sade	
9	9	Harshada Kamble	Uses Of SuperComputer
		Akshada Mane	
		Angha Patil	
10	10	Pranali Patil	Super Computer Networks
		Mayuri Bavadekar	
11	11	Shravani Rathod	History of Indian Supercomputer
		Rutuja Hanbar	
		Shivani Patil	
		Shrutika Vadd	
12	12	Sanika Kadam	Supercomputer
		Samruddhi patil	
		Dhanashri Kumbhar	

13	13	Payal Dhavale Shreya Bhandari Asmita Parit	Versions Of Supercomputer
14	14	Sandhya Magdum Pratiksha Patil Sanika Patil	Father of Supercomputer
15	15	Swapnil Mohite Abhimanyu Mane Abhinav Yadav	Supercomputer-Helping us do amazing things
16	16	Sumaiya Bavachkar Hafija Tamboli Suhana Sande	The Global Power Of Supercomputer
17	17	Amina Mulla Asiya Momin	The Future of supercomputer
18	18	Abhaysinha Yadav Manthan Dhanavade Harshvardhan Patil	Supercomputer powering India's future
19	19	Suraj Bhandari Pooja Hajare Namrata sutar	Supercomputer
20	20	Shreyash Babar Krishna Patil Viraj Ingavale	Supercomputer
