Student Centric Activity: Student Seminars

(Academic -2025-26)

Name of Activity:	Seminar Activity
Date of activity Conducted:	29/09/2025 To 06/10/2025, 27/01/2026 To 04/02/2026,13/02/2026,14/02/2026.
Target Group:	B.Sc.III SEM-V And SEM- VI
Number of students took the advantage:	24 students
Name of Organizers:	Department of Computer Science

Every Year Department of Computer Science organizing seminar activity for the last year students .Each students deliver one seminar per year.

Objectives

- 1 .Most of the young graduate's lack of the confidence and fluency while interacting orally. Coming either from rural or sub urban background many students hold good academic record and industrial skill but lack behind while expressing themselves .This small yet major drawback often hinder the achievement of student while placements. Specking about a researched topic in a seminar and workshop before a gathered audience boost the confidence of the student preparing them preciously for interviews and group discussions.
2. Seminar provides a chance to interact with teacher /expert from specific field. Discussing about the relevant topics of the particular subject.
3. Talking and Learning about a new topic will encouraging the students to explore new areas relevant to the topic .Students will feel motivated to research and learn new things.
4. Seminar develops stage daring and self-confidence in students and mental abilities.

Short Description Of Activity Conducted:

To develop stage daring enhance self-confidence create ability and how to express ideas among the students, Department of Computer Science, Shri Vijaysinha Yadav College Peth Vadgaon organized seminar activity of B.Sc. III (Computer Science) student in the academic year 2025-26. All students of B.Sc.III are perform the seminar on one article from the syllabus .This activity is conducted weekly in which two –three student taking seminar on the one article of the syllabus. The articles is chosen by a students

PO's And PSO's covered: To enhance stage daring, subject knowledge and explanation power in the student.

Outcomes

Department of Computer Science conducted Seminar activity for B.Sc. III students .In this academic year each students carried out one seminar on different subject .Some of the positive outcome of this activity are as follow .

Shy and reserved student find voice.

- Students experience diverse view on a test.
- Discussion help to clarify students own views.
- Students gain clear understanding of the test.
- Students are highly motivated to research and prepare for discussion.
- Group sharing provides a more in depth understanding of the material.
- Asking questions and forming opinions for seminar leads students to a discovery of whom they are.
