Short Description of activity conducted:

The Internal Complaint Committee, Kalyani Forum & Beti Bachav jointly organized a Traditional Dress & Funny Games event on 05th March 2025 to celebrate International Women’s Day. The objective was to inspire and motivate students by reflecting on the thoughts and philosophies of great historical women.

International Women’s Day, celebrated on March 8, is a global occasion to recognize the achievements, strength, and contributions of women in every field. Across the world, women have broken barriers and created history with their courage, determination, and hard work. Women are not just caregivers but leaders, innovators, and change-makers. Equal opportunities, respect, and education are essential for women’s empowerment. Let us celebrate the spirit of womanhood and work towards a world where every woman is respected, safe, and empowered.

The event was presided over by the in-charge principal of the college, Dr. Ashok Chavan. The arrangements for the games were managed by Dr. Rutuja Chavan & Smt. Supriya Patil.

Students showcased various traditional dresses, symbolizing the power and cultural heritage of women in India. Participants also shared their views on their chosen attire. In addition, several fun games were organized exclusively for female students, making the event lively and engaging.

The Preface was delivered by Dr. Aishwarya Pawar. All women faculty members were present for the event. The vote of thanks delivered by Dr. Varsha Sahadev, President of the ICC Committee.

Outcome of the Activity:

1. Students gained awareness about the achievements and contributions of women at the global level.
2. It helped in developing respect and appreciation for women in different fields.
3. The activity enhanced creativity, teamwork, and presentation skills among students.
4. Students were inspired by the life stories of great women and motivated to achieve their own goals.
5. It promoted the values of gender equality and women empowerment in society.
6. The wall magazine became an effective medium to spread positive messages and awareness.
