

NSS UNIT

SHRI VIJAYSINHA YADAV COLLEGE, PETHVADGAON

Report on the Guest Lecture on "Environment Conservation"

Date: 27th January 2024

Venue: Vitthal Mandir, Tasgaon Village, Tahasil Hatkanangale

As part of the ongoing special residential camp organized by the NSS Unit of Shri Vijaysinha Yadav College, Pethvadgaon, under the guidance of the NSS Unit of Shivaji University, Kolhapur, a guest lecture titled "**Environment Conservation**" was conducted on the fifth day of the camp, 27th January 2024.

Objective

The lecture aimed to educate students about the importance of preserving the environment and to inspire them to actively contribute to sustainable development through individual and community efforts.

Speakers

The session featured two distinguished speakers:

- **Dr. Amol Patil**, an environmentalist and researcher known for his expertise in ecosystem restoration and sustainability.
- **Dr. Nilima Patil**, an advocate for environmental education and sustainable practices.

Details of the Session

- The session began after lunch with a warm introduction of the speakers by **Programme Officer Dr. A. V. Jadhav**.
- **Dr. Amol Patil** opened the lecture by addressing the current environmental challenges such as climate change, deforestation, and water scarcity. He emphasized the need for collective action and discussed various strategies for conserving natural resources.
- He shared success stories of community-driven initiatives and encouraged students to implement similar practices in their local areas.

- **Dr. Nilima Patil** elaborated on the role of individuals, particularly youth, in environmental conservation. She emphasized the importance of adopting eco-friendly habits such as waste segregation, reducing plastic use, and conserving water.
- She also discussed the integration of traditional knowledge with modern science to achieve sustainable solutions for environmental issues.
- The session concluded with an engaging Q&A segment, where students asked insightful questions about environmental challenges and solutions.

Participation and Attendance

The lecture was attended by 105 enthusiastic NSS volunteers and was graced by the presence of both **Programme Officers, Dr. A. V. Jadhav and Mr. D. B. Patil**, along with the following faculty members:

- **Dr. S. S. Patil**
- **Dr. S. J. Pawar**
- **Dr. P. A. Nisargandh**
- **Dr. S. V. Maske**
- **Dr. Varsha Sahadev**
- **Dr. P. P. Yadav**

The active involvement of the faculty members enriched the discussion and provided additional encouragement to the students.

Outcome

The lecture successfully instilled a sense of responsibility among the students toward environmental conservation. Participants gained practical knowledge and were inspired to implement eco-friendly practices in their daily lives and communities.

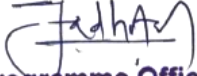

Conclusion

The guest lecture on "**Environment Conservation**" was a highly impactful and informative session. It left a lasting impression on the participants, motivating them to become proactive contributors to environmental preservation.

The NSS Unit of Shri Vijaysinha Yadav College expresses heartfelt gratitude to **Dr. Amol Patil** and **Dr. Nilima Patil** for their insightful presentations and to the faculty members and students for their enthusiastic participation, making the event a success.
