Report on the Sixth Day of NSS Special Residential Camp at Tasgaon Village: Watering Plants at Oxygen Park

Date: 28th January 2024

Venue: Oxygen Park near Mahalaxmi Talav, Vadgaon

The NSS Unit of Shri Vijaysinha Yadav College, Pethvadgaon, under the guidance of the NSS Unit of Shivaji University, Kolhapur, continued its week-long special residential camp with activities focused on environmental conservation and community service. The sixth day of the camp, 28th January 2024, was dedicated to an environmental initiative at Oxygen Park near Mahalaxmi Talav, Vadgaon.

Activities of the Day

Watering Plants at Oxygen Park

The students actively participated in watering plants at the Oxygen Park, demonstrating their commitment to environmental preservation and sustainability. The activity aimed to nurture the green cover in the park and raise awareness about the importance of protecting and maintaining green spaces.

Equipped with necessary tools, the NSS volunteers efficiently watered the plants, ensuring the healthy growth of the saplings planted earlier. This initiative not only contributed to the ecological well-being of the area but also reinforced the students' understanding of the significance of green spaces in combating climate change and improving air quality.

Participation and Attendance

A total of 105 NSS volunteers took part in this activity with enthusiasm and dedication. Their efforts reflected the core values of the NSS, emphasizing teamwork and environmental stewardship.

Guidance and Faculty Support

The activity was conducted under the supervision of NSS Programme Officers Dr. A. V. Jadhav and Mr. D. B. Patil. The following faculty members were present and provided encouragement and support:

- Dr. S. J. Pawar
- Dr. M. A. Patil
- Mr. P. A. Khabade
- Dr. R. H. Karande

Their presence inspired the students to actively engage in the activity and complete the task with diligence.

Impact and Outcome

The watering initiative significantly contributed to the upkeep of the Oxygen Park, promoting the health of the plants and enhancing the park's greenery. This activity also highlighted the students' role in supporting environmental conservation efforts and inspired the local community to take similar steps for maintaining green spaces in the area.

Conclusion

The sixth day of the NSS camp at Tasgaon Village was a successful demonstration of environmental responsibility and community engagement. The activity not only benefited the ecosystem but also reinforced the importance of sustainability among the participants.

The NSS Unit of Shri Vijaysinha Yadav College expresses heartfelt gratitude to all the students, faculty members, and local authorities for their cooperation and contribution to making the day impactful and meaningful.
